

## Welcome back!

What we are learning this half term.

### 'Our Class Wow'

This half term's topic will be 'Let Us Grow' and during the first few days the children will be learning how to grow plants and vegetables!

We will be investigating and exploring different animals and their lifestyles, including caterpillars and frogs. The children will find out information from non-fiction texts when learning about new life, growth and change. We will be writing lists, captions and sentences in different contexts in shared, guided and child initiated writing.

The children will also be adding, subtracting, doubling, halving and sharing. We are going to be busy, busy, busy!

## How you can help at home.

Please read with your child at least 3 times a week. Talk about the stories you read together and their home/school reading books.

Provide pens and paper for your child to practise their handwriting. They really do love to practise writing their letters and words.

Talk about numbers and counting objects around the home. Ask your child to pass you 3 cups or 4 spoons. When out and about look for numbers on door, buses and car number plates. Play 'I spy the number' 6,15,20 etc.

Ask your child to talk about the changes in the weather and season. Observe the changes around them for example, leaves and flowers beginning to grow now it's Springtime.

Please work with your child at home to complete their Boundary Learning Together task on See Saw each week.

## Reminders

- Please remember to check the school website, See Saw and Facebook for any updates and home learning activities.
- What if your child needs to self isolate? Continue to use Seesaw for your child's daily home learning. Everyday, new tasks will be set for your child to complete. The login details are attached to your child's reading diary but if you need further support contact your class teacher via the emails above.
- Please make sure **all** items of clothing are clearly labelled with your child's name.
- Please complete the 'You're a Star' slip below if your child does anything amazing or new at home. We will share it with the rest of the class!
- Reading books will be changed on a Tuesday and a Friday. Please make sure the children bring them back into school on these days.
