

## Year 2

### Summer 1

In English we will be looking at fairy tales and writing our own but with a twist! We will be using descriptive language in our writing to make our tales interesting.

We will also be writing instructions, in which we will be using time connectives. We will be reading the novel 'The Twits' By Roald Dahl.

In Maths we will be learning about multiplication and division. We will be using concrete items as well as learning written methods that we can use.

We will also be learning to become more fluent in our 2, 5 and 10 time tables as this will greatly help us with our multiplication and division.

In Art we will be looking at and creating our own sculptures. We will be looking at the existing work of Andy Goldsworthy and Dale Chihuly to take inspiration for our designs.

In Science we will be learning about electricity. We will be creating our own working circuits and we will be investigating why a circuit may not work. We will also be identifying how to stay safe with electricity and how to reduce risks in our homes.

In Music our unit will be looking at aboriginal music. We will be appraising the music we listen to, thinking about what instruments we can hear and sharing our thoughts on the music. We will also be looking at the music created by Mozart and appraising it.

In Geography we will be learning about Australia. We will be finding Australia on a map and learning about different landmarks. We will board our classroom plane and take a long journey to explore Australia.

In PE we will be doing cricket. We will be learning how to strike a ball, as well as throw a ball. We will be learning the rules of the game and working on our team work skills.

During our PE lessons, we will also discuss the changes that happen to our body as we exercise.

In PSHE we will be learning about the rights and responsibilities that we have in life.

We will also be learning about how we can maintain a healthy lifestyle through exercise, a healthy diet and keeping a healthy mind. We will continue to talk about our own wellbeing and the importance of this.

In RE we will be learning about Christianity.

We will be thinking of the question 'What unites the Christian community?' As well as looking at the Christian beliefs around this question, we will think about our own thoughts and beliefs of what unites us.
