

EYE SPY

LOOK AROUND THE HOUSE AND FIND OBJECTS THAT USE ELECTRICITY. WRITE THEIR NAME DOWN AND DRAW A PICTURE OF THE OBJECT. YOU CAN PRESENT IT IN ANY WAY THAT YOU WANT, REMEMBER... BE CREATIVE!!

Instructions...

Can you write a set of instructions explaining how to make or do something of your choice.

Remember to use time connectives and put your work in chronological order.

Poster

Design a poster about electricity. Look at the dangers that electrical items can have and create a 'Safe Tips' section. It's up to you how your poster is presented but ensure that you include a catchy title, subheadings and pictures.

Year 2 Homework

There are 5 activities to complete. You can complete one a week and bring it in.

OR

You can complete all 5 at once and bring them in at the end of the half term.

You will also receive weekly spellings, Maths and Reading into Writing tasks. These will put on Seesaw every Friday and due in every Thursday.

If you need any help, just ask!

Research

Can you find some famous landmarks in Australia and create a leaflet to advertise them. Remember to explain how amazing these places are!

Dragon's Den

It's time for you to be a scientist and an inventor. Can you invent your own electrical item? Think about joining two electrical devices together or come up with your very own idea! Have fun inventing!!
