

Welcome to back to Summer term!

Welcome back Maple and Laurel! Mr Bamber, Miss Naylor and Miss Crystal are all looking forward to continuing to work hard with you and your parents to ensure that you make the best progress. We will work together with Mrs. McIntyre and Miss Howarth to ensure that you become the best that you can be!

Don't forget to wear your always badge with pride...every day!

Key Information:

P.E. – You must have your full PE kit in school every day. This should include pumps, black shorts and a white T-Shirt.

Swimming – Laurel will start to go swimming on Wednesdays. You will **need a swimming costume/shorts and a towel**. Swimming hats will need to be worn where hair is longer than collar length. You **MUST** remember your swimming kit every Wednesday.

Reading – Please make sure that you read your book at least 3 times a week and get your reading diary signed. Your book needs to be in school every day! You should also be accessing Reading Plus at home regularly.

Spellings – Spellings will continue to be tested weekly on Fridays. You can practise your spellings on Spelling Shed at home.

Times Tables – By the end of Year 4, you **must** to know up to 12x12 (answering a question around every 6 seconds). You can practise at home by using your Times Table Rock Star log ins or go on Maths Frame Multiplication Check.

BLT and Homework – Homework will now be set on **Google Classroom** every week. We gave the children lots of practise in navigating Google Classroom last half term, so they are now familiar with how it works (guidance attached). Homework will be set on a Friday and must be completed by the following Thursday. BLT tasks are to be completed over the half term – please bring them in as you complete them. *Incomplete homework* – If you do not do your homework, you will miss your Friday break time to complete it.

Remote learning – If you have to self-isolate during this half term, your daily work will be set on Google Classroom straight away. Miss Crystal will be checking and marking this each day.

Design and Technology Day – on Friday 30th April we will have a D&T day involving food. Please ensure school has all up to date allergy information.
