

YEAR 4 BLT SUMMMER 1

Maths

Ask an adult who you live with to randomly ask you the time at different points throughout the day.

Reading into Writing

Can you find a folk tale or myth online which we haven't read in class and write a review about it? Challenge – identify the features which we discuss in class by highlighting them.

Computing

You have been using online platforms so much over the last year it is extremely important that you keep safe.

Make a poster, powerpoint or video with as much Online Safety advice as possible.

Powerpoints and videos can be sent to your teacher via Google Classroom.

Reading Challenge!

Can you improve your average score on Reading Plus? Remember our class target is 80% but if you can better that then that's amazing!

Science

This half term we will be learning about Animals including Humans.

Make a model of our teeth, label them and their different functions.

French

Draw a weather scene then write about what is happening in French. Remember all the French vocabulary you've learned.
