

Year 2

Summer 2

In English we will be looking at fairy tales and writing our own but with a twist! We will be using descriptive language in our writing to make our tales interesting.

We will also be writing poems, in which we will focus on rhyme. We will be reading the novel 'James and the Giant Peach' By Roald Dahl.

In Maths we will be learning about shape. We will be identifying and describing properties of 2D and 3D shapes. We will also be learning about fractions, using our multiplication and division skills to help us. We will continue to learn our 2, 5 and 10 times tables.

In Computing we will be looking at using technology purposefully to create our own piece of art using a computing program. We will look at a variety of artists and styles of art to gain inspirations to design and execute our own piece of digital art.

In Music our unit will be reflecting on what we have learnt throughout the year. We will start by listening to and appraising songs, moving onto make and performing our own compositions.

In Science we will be learning about animals including humans. We will be identifying the different habitats that animals live in. Throughout the half term, we will be identifying and naming a variety of plants and animals. We will also be looking at making simple food chains to understand how animals obtain their food.

In PE we will be doing athletics. We will be learning how to perform a variety of jumps, throws and working on our running skills. During our PE lessons, we will also discuss the changes that happen to our body as we exercise.

In PSHE we will be learning about how we change and how we grow from babies to adults. We will also be learning about ways in which we can keep ourselves safe. Throughout the half term, we will also be learning about healthy relationships and how to maintain a relationship with family and peers.

In History we will be learning about Nelson Mandela and Rosa Parks. We will be looking at the incredible work that they did and how they shaped the world that we live in today.

In RE we will be learning about Islam. We will be thinking about the question 'Why do Muslims believe it important to obey God?' As well as looking at the Islamic beliefs around this question, we will think about our own thoughts and beliefs of who we obey and why.
