Comments.

Both my children are happy at this school.

Although I have been coming to Boundary for over 20 years my children which attend now feel unsafe and are now beginning to defend themselves.

Boundary school is an excellent school, all the staff are very welcoming and always on hand if any issues. So clean and tidy.

My kids very happy going to school at Boundary.

Teachers are doing fantastic. RJ has settled in really well and showing signs of improving.

School has been very supportive with my family whenever required.

Sometimes confused about who to direct concerns to. Behaviour plan seems different to classroom plan, differing views on SHIELD etc.

Wish there was more communication outside of facebook posts regarding non-uniform days etc. Not everyone has facebook or checks it regularly which can result in some students missing out on these special days. Overall very happy with Boundary and staff.

Thank you for your help for making him more confident and learn new things. Thanks.
