

Together Time

Our Together Time was attended by 122 parents and carers.

It was fantastic to see so many adults joining in with their children's learning. As always thank you for your support with this event.

Science and Geography Day

We had an incredible day on Wednesday 20th March celebrating Science and Geography Day with a special appearance from our amazing visitor, Thomas the Gorilla!

The day was filled with exciting learning experiences focused on conservation and climate change.

Our children had the opportunity to dive deep into these important topics, expanding their knowledge and understanding of the world around us.

World Book Day

On Thursday 6th March we celebrated World Book Day. We dressed up as our favourite book characters, shared a Whole School Assembly and enjoyed book based activities in our classes.

Key Stage Two children took part in a live lesson and some classes enjoyed some stories in our school library, The Attic.

All the children looked fantastic in their outfits, thank you to all parents and carers for your support with this amazing event.

Royal Shakespeare Company

Once again we have been part of the Royal Shakespeare Company's 'Associate Schools Programme'. This year, we worked with other local schools to put on a performance of *The Tempest*. The children contributed ideas to develop their performance, and explored the characters and themes of the play. The pupils performed their scenes, as part of the whole play, at the Blackpool Grand Theatre. We are so proud of the pupils who took part.

Music Concert

Well Done to Our
Boundary Budding Stars!

A huge congratulations to
all the children who
performed at the
Boundary Budding Stars Show!

You all showed incredible
confidence and talent,
and we couldn't be
prouder.

Thank you to all the parents and carers who
attended and supported our young performers.

Spelling Bee

On 28th March we held our second Spelling
Bee of the school year.

Four children were chosen from each house to
represent their team and were given three
spellings each. They have been learning these
words over the last few weeks and we could all
tell. The children did brilliantly and did them-
selves (and their houses) proud.

A huge congratulations to our Spelling Bee
winners - Bathurst

We are already looking forward to the final
Spelling Bee in the Summer term.

Zoo Visits

Our Year 1, Year 2 and Acorn classes enjoyed trips
to the zoo this half term. They looked at the
different animals enclosures and thought about
the things they have to meet their needs as well
as exploring their habitats for adaptations to
help them. They were lucky enough to see some
baby animals including the orangutans and they
compared how they differed from their adult.

Maths Showcase

On Wednesday 12th March, Boundary hosted a
showcase maths lesson for the NCETM as
part of the Abacus North West Maths Hub.
This event was well attended, with over 30
guest teachers, maths leads and head teach-
ers from other Blackpool schools. The pupils
represented Boundary brilliantly and we
received some fantastic
feedback on how this
will impact the maths
teaching in the
attendees settings.

Comic Relief

To celebrate Comic Relief, we swapped one item
of uniform for something red. All the children
had lots of fun throughout the day and we even
had time for a little YMCA dance in assembly
before home time! Thank you to everyone who
brought in £1 to donate towards Red Nose Day,
thanks to your
generosity we
raised over
£222 for this
worthy cause.

Young Seaside Art Competition

Boundary has once again taken part in the annual Young Seaside Art competition. We submitted nearly 30 entries, from across the school, and we are very proud to announce that Gouri and Ellie-Mae have been chosen as our school's winners!

All the entries will be displayed at the exhibition located at Blackpool School of Arts and can be viewed by the public from 4th March until 29th March.

Sports Round-up

Key Stage Two Kurling

A number of KS2 children competed against other schools in the Blackpool School Games Kurling competition. The team were excellent, displaying determination and great sportsmanship and ended up WINNING the event! They will now move forward to represent Blackpool in another Kurling event.

Y5/6 Girls Football

The Y5/6 girls have spent the last couple of months practicing and readying themselves for the girls football league to start. This half term saw them face Layton. The girls were excellent throughout the game and went on to win 4-3. The players have progressed immensely with their footballing skills and Mr. Ratcliff is so proud of them after seeing all their hard work pay off. Keep going girls!

Kinball event

Some of our Y5 pupils took part in the first Synergy Trust event where schools in our trust came together and played a sport. This time we were introduced to Kinball. We would like to thank the wonderful Highfurlong School for hosting the event. All the children that went loved it and couldn't stop talking about it all the way back to school!

Y3/4 Bollywood Festival

On Wednesday 2nd April, nine Year 3/4 children visited Blackpool Sixth form to experience some Bollywood dancing. They had 3 lovely dance students who taught them a dance routine in under an hour. Working together and showing great resilience, the children then had to perform that routine in front of 5 other schools. The children were outstanding

Key Dates for Spring 2

April 2025

Tuesday 22/04/25 — School Opens

May 2025

Thursday 22/05/25—School Closes

June 2025

Monday 09/06/25—School Opens

Attendance

Attendance Ladder

Our whole school attendance this half term is **91.13%**

This needs to improve! Our target attendance is 96%

Holidays during term time will not be authorised and if taken, penalty notices will be issued.

ATTENDANCE MATTERS
every school day counts.

WAS Award

We are thrilled to announce that, for the second time, we have been awarded the Wellbeing Award for Schools.

Our report contained many positive comments about the work that happens in our school.

Family Learning

The community learning workshop running next half term is:

Tuesday 29th April—Keeping up with the kids in Maths for Y3 and Y4 families

Please contact Mrs. Bradley (Engagement Officer) to find more about this opportunity.

100% Attendance - Spring 2

111 pupils achieved 100% attendance for this half term!

What a positive end to the Spring Term.

These pupils received a badge and were celebrated within our whole school assembly.

Uniform Reminder

Please remember that all children must be in full school uniform – this includes a tie, and school shoes which should be fully black. 'Always Badges' must be worn! Thank you!
