Boundary Learning Together Summer 2

Daily Reading! Weekly - Spelling and Times tables.

Science – Properties

What are the properties of materials? Can you sort household items by their hardness, solubility, transparency or conductivity?

Design Technology

Can you work with an adult at home to create something using different sewing techniques? It could be a bag or a bookmark? Use different types of stitches if you can.

Religious Education

Find out about Judaism and the rules that they follow. Where do Jews find guidance?

History

How was Blackpool affected by World War One? Can you explain the different ways that Blackpool was used by soldiers?

French

Recap the French menu and food by creating your own.

Can you research the vocabulary for weather in French?

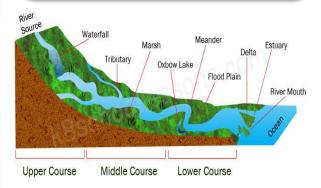

Art

Create your own Cezanne style still life drawing or painting using everyday objects around the home. Use similar techniques and bring in your finished art work.

Geography - Rivers

Create a model, diagram, animation of how a river is formed and the different layers.

Or try creating a rap of the journey using the key vocabulary.

Bring your BLT in when you have done it to share with the class and school.
