

Year 4

## Summer 2 Newsletter.

Welcome back!

Don't forget to wear your always badge with pride,  
everyday!

### Good vibrations

We have lots of fun units of work to do this half term, including looking at where sounds comes from and coding a programme all by ourselves.

### BLT

Well done to those children who read 3 times a week (sometimes more)! Let's see if we can get everyone to read at least 3 times a week. How brilliant would that be? Remember, when you read you improve your communication, you broaden your vocabulary and you learn new things. Remember to record your own reading in your reading diary as long as a parent/guardian signs it to confirm you're reading.

Well done to those children who attempted some of their topic BLT from last half term. We would love to see more children participating with this. Mr. Parsons is doing the BLT club still so if you need help, that would be a great club to attend.

Every Thursday the spellings and maths tasks will be handed out and they must be back on the following Friday.

BLT is uploaded onto the school website each half term. You can find the year 3/4 spelling list on there too.

<http://www.boundaryschool.co.uk/year-4/>

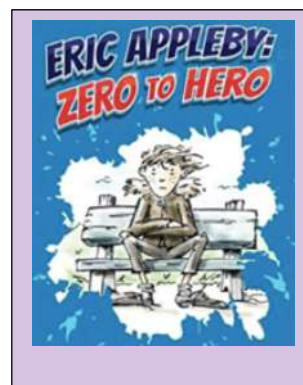

### PE

Swimming will continue on a Wednesday. Please ensure PE kits come in at the beginning of term and they will be sent home on the last day. PE kit needs to be in school every day in case of changes.

Please remember that P.E consists of a plain white t-shirt, black shorts and black pumps. We will do PE on a Tuesday.

### How you can help your child at home

- Practise all times tables. They are so important. A great website for this is:  
<http://www.topmarks.co.uk/maths-games/hit-the-button>
- Practise handwriting (cursive joins)
- Talk to your child about what they have done at school and how many Dojos they have received that day.
- Read school books with your child at least 3 times a week.
- Help them get to school everyday and on time – Attendance is the key to great learning!

This half term we will be reading local author Dan Worsley's Zero to Hero as our class book.

Don't forget to ask your child what is going on in the book at the end of each week!

They may have a great story to tell.
