

Year 3

Autumn 1 Newsletter

Welcome back!

Don't forget - wear full school uniform, including your Always badge, everyday!

### Poles Apart

This half term our topic has a Geography focus, so we will be learning all about the Polar Regions and extending our knowledge of the world, through exploration. We will be investigating climates and vegetation in these places and how these impact on our lives.

### PE

PE sessions will be on Wednesdays and Fridays, so please make sure you have a full PE kit in your locker on those days. Please remember that earrings can't be worn for PE and plasters can't be used to cover earrings up.

### Boundary Learning Together - BLT

Please read your book at home, at least three times a week and bring it to school each day. We enjoy reading a range of books in school and it is important to carry this on at home. Please remember to record your reading in your reading diary and ask a parent to sign it.

Your new BLT has been sent home today, it can also be found on the school website. You will also be able to access the Year 3 spellings on the website.

Spellings and times tables will be sent home on a Friday and collected in the following Thursday.

### How you can help your child at home

- Encourage your child to improve their multiplication knowledge by using <http://ttrockstars.com>

Each child will be given their own unique username and password for this website and the app can be downloaded free onto smartphones and tablets.

- Practise spellings and handwriting
- Read with your child
- Helping them get to school every day and on time-

Attendance is key to great learning!
