

Task 1: Spellings:

We need to learn our common Exception words. By the end of year two you need to learn how to read and spell all of these words. Use the list attached to help you practise some of them at home with your adult.

 **Relight My Fire** 

Task 2: Maths

We need to learn our 2,5,10 times table fluently by the end of year 2. Use the list attached on the back to help you practice.

If you have the internet at home, you can use this website to test yourself.

Task 3: Science

Look around you home for materials, which can change by **squashing**, **bending**, **twisting** and **stretching**. Draw a picture and explain how the material changes.

Task 4: History

Research the story of the Great Fire of London and make a model of pudding lane. You might want to use cardboard models like the houses we made in our WOW design lesson or you may wish to create something totally different with other materials. Your creativity is up to you!
