

Research- Animals.  
How much do you  
already know about  
them?

Create a paper plate  
animal. Decorate one  
side and write as  
many facts as you  
can about the animal,  
on the other side.

Maths

We are learning about  
money and measurement.  
Can you count in pounds  
and pence? Make up your  
own word problems.

For example- Jack  
bought a bike for £10  
and a helmet set for £5.  
How much does he spend?

# Year 3 Spring One 'Carnival of Animals' Boundary Learning Together Activities

There are five activities to complete. You can complete one a week and bring them in OR you can complete all five at once and bring them in at the end of the half term.

You will also receive a smaller task, which will be handed out every Friday and collected in every Thursday.

## Computing

Keeping safe online is important!  
Design a poster to inform other children how to  
stay safe when using the internet.

Remember the CEOP button!

*YOUR LEARNING in*

*RE*

*Christianity*

*Create a paper plate*

*Noah's Arc*

*Can you build/draw a  
Noah's Arc? Remember  
the animals came in  
twos...*

Writing  
Playscript

Write a short play script  
based around a  
conversation/ situation  
which happened at  
school.
