

Autumn 1

Task 1: Spellings

We need to learn our common Exception words. By the end of year two you need to learn how to read and spell all of these words. Use the list attached to help you practice some of them at home with your adult.

Task 2: Maths

We need to learn our 2,3,5,10 times table fluently by the end of year 2. Use the list attached on the back to help you practice.

If you have the internet at home, you can use this website to test yourself.

Task 3: DT

This half term we are learning about moving vehicles. Can you create your own moving vehicle?

Think about what resources you could use from home! It could be recycled materials or even lego!

Think about who your moving vehicle is for and what it would be used for.

Task 5: Science

Research the habitat of one of your favourite animals. Remember to use lots of different sources for your information. Be as creative as you can in presenting your findings. You could create a poster, a fact file or you could even create a model of the habitat you have researched. Mrs. Fielding and Miss Collins can't wait to see what you come up with.

Task 4: PSHE

Make a personal profile which is all about you. You need to include; a picture, your full name, age, where you live, what hobbies you enjoy, what you want to do when you're older, what can make you happy, upset or angry and how you deal with these emotions. At the end of term, you are then going to present this to the rest of the class. This will help us to get to know each other better.

My Times Tables

2 times table

0	x	2	=	0
1	x	2	=	2
2	x	2	=	4
3	x	2	=	6
4	x	2	=	8
5	x	2	=	10
6	x	2	=	12
7	x	2	=	14
8	x	2	=	16
9	x	2	=	18
10	x	2	=	20
11	x	2	=	22
12	x	2	=	24

5 times table

0	x	5	=	0
1	x	5	=	5
2	x	5	=	10
3	x	5	=	15
4	x	5	=	20
5	x	5	=	25
6	x	5	=	30
7	x	5	=	35
8	x	5	=	40
9	x	5	=	45
10	x	5	=	50
11	x	5	=	55
12	x	5	=	60

10 times table

0	x	10	=	0
1	x	10	=	10
2	x	10	=	20
3	x	10	=	30
4	x	10	=	40
5	x	10	=	50
6	x	10	=	60
7	x	10	=	70
8	x	10	=	80
9	x	10	=	90
10	x	10	=	100
11	x	10	=	110
12	x	10	=	120
