

Year 3
Autumn 1 Newsletter
Welcome back!

#BoundaryBelieves

Don't forget - wear full school uniform, including your Always badge, everyday and have your home reading book with you!

Poles Apart

This half term our topic has a Science focus, so we will be learning all about magnets and forces. We will be investigating magnets and how they attract and repel each other and other materials.

PE

PE sessions will be on Wednesday and Thursday's so please make sure you have a full PE kit in your locker on those days. We ask you leave it in school in case this changes. Please remember that earrings can't be worn for PE and plasters can't be used to cover earrings up.

Boundary Learning Together - BLT

Please read your book at home, at least three times a week and bring it to school each day. We enjoy reading a range of books in school and it is important to carry this on at home. Please remember to record your reading in your reading diary and ask a parent to sign it.

Your new topic based half termly BLT has been sent home today, it can also be found on the school website. You will be able to access the Year 3 spellings on the website too.

Weekly spellings, times tables and BLT will be sent home on a Friday and collected in the following THURSDAY. Please make sure this is the day it is sent into school, to allow it to be quarantined and then marked by your teacher on the following Monday. If it has not been completed, your child will spend Friday break time completing it, inline with our school home learning policy. Thank you.

How you can help your child at home

- Encourage your child to improve their multiplication knowledge by using <http://trockstars.com> Each child will be given their own unique username and password for this website and the app can be downloaded free onto smartphones and tablets.
- Practise spellings and handwriting
- Top Marks Hit The Button is a great website for practising your times tables.
- Read with your child
- Helping them get to school every day and on time-

Attendance is key to great learning!
