

# October Half Term Y3 Boundary

## Learning Together

Read every day, even if it's just for 10 minutes. Add a post onto Seesaw about what you have read. Write a book review about your favourite book.

Keep practising your times tables, we need to know our 2, 3, 4, 5, 8 and 10 times tables rapidly. e.g. Adult say  $4 \times 6$ , Child says 24 (within 6 seconds). Use Times table Rock star!

Write a spooky story about Halloween or an Autumn poem about the changing seasons!

Recap, read and spell all of your Year 1 and 2 Common Exception words and High Frequency Words. You need to be able to spell them too!

**Keep Safe!**  
**Have a lovely rest**  
**and see you on 2<sup>nd</sup>**  
**November.**

Use the online tools to share what you have been doing in the holidays – create a Seesaw post, create a poster or Presentation in Google Classroom, how many points can you gain on Spelling Shed and can you complete all of the MyMaths tasks that are set?
