

## **BLT topic and creative tasks**

### **Music:**

Can you write out the lyrics of your favourite song and explain why it appeals to you.

### **Maths**

Continue to practise your multiplication and division skills using

[www.trockstars.com](http://www.trockstars.com).

If you need your log in details, ask your teacher.

### **Reading**

Write a book review of either your favourite book or a book you have recently read. Please explain who you would recommend reads it and why.

### **Computing:**

Create a poster about how to stay safe online. We will share the best posters with other classes.

### **Science**

Create a model of a planet or even the whole solar system. Could you include the sun and all the planets? How could you make it 3D?

What materials will you choose?

Alternatively, can you create a model that explains the moon's movement around the Earth

*Bring your homework in when you have done it to share with the class and school.*

### **History:**

Create a fact file about life in Anglo-Saxon times.

What did they eat?

What did they wear?

What were their houses like?

*Weekly maths, GPS and spelling activities will be issued every Friday and need to be handed in the following Thursday.*
