

# Year 1

## Autumn 2

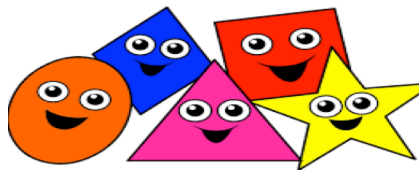

In English we are going to be reading the books 'Room on the Broom', 'I want a party' and 'Chilly Billy Winters'. We will be using these texts to write invitations, factual reports, lists and letters.

In PE we will be focusing on developing our fundamental skills and developing our ability to make shapes with our bodies in gymnastics. We will develop our agility, core body strength and ability to create short sequences of movements.

In Maths we will be focusing on developing our knowledge of numbers and place value to 30. We will be working creatively to explore these numbers. We will learn how to represent these amounts effectively, order numbers, and count forwards and backwards confidently. Using our knowledge of numbers we will develop our ability to add and subtract amounts. We will learn to read and write number sentences. In Year 1 we will also learn to describe and identify 2D shapes.

In Music we are going to be focusing on Reggae and Hip Hop style music. Will listen and appraise this Music using technical vocabulary. Once we have listened to a range of music we will start to compose our own versions of this style and perform them to our class.

In Computing children are going to be learning how to operate Ipads and Chrome books effectively and safely. They will learn how to use tools such as paint, how to edit our work and save it. Children will be using apps such as Seesaw. We will also focus on learning about the importance of Online safety.

In Science our focus is going to be learning about animals. We will get to learn about different ways animals can be categorized by their features and what they eat. This half term we will also be able to label and name specific parts of animals and where they may be found in the world. We will compare animals features and discuss how they adapt to the changing world.

In PSHE we are going to focus on how we grow and develop, thinking about our emotions and how we express ourselves. We will discuss and learn how to stay safe and make sensible choices.

In RE we are going to learn about Christianity and the Church. We will discuss what people say about God and how Christians demonstrate their faith in God in church. During this half term we will also learn about the Nativity Story and how it is celebrated.
