- 1) $4728 - 372 =$
- 2) $8273 - 2849 =$
- 3) $7348 - 634 =$
- 4) $4729 - 1847 =$
- 5) $8382 - 2948 =$

Reading into Writing

Can you write a film or play script about something that you did during half term? Remember to lay it out in the correct way!

TIP: Don't include too many characters, this way you won't get confused.

Design and Technology

Here's a challenge for you and an adult at home!

Can you make a pasta salad for the whole family for their tea one night?

Maybe if you have siblings (older or younger) they could help out too!

Take pictures and ask their opinions on the pasta salad. They might make a suggestion for when you make it again next time!

Music

This half term we will be focusing on Lean on Me by Bill Withers. Can you find a song of the same genre and compare it to Bill Withers? Try to use musical vocabulary which we use in class.

French

Can you make a fact file all about a member of your family or a best friend? Remember all the French words you have learned in class.
