Phonics Bingo

Nursery Rhyme Challenge

### Physical

#### Moving and Handling

We will be using different tools and equipment to draw lines and circles.

We will be using a range of one-handed tools and equipment.

We will be completing activities to develop our pencil grip.

We will be exploring different ways of moving.

We will be building obstacle courses to develop our co-ordination.

#### Health and Self- Care

We will be talking about how we feel after exercise and noticing when we are hungry or thirsty.

### Personal, Social and Emotional

#### Making Relationships

There will be lots of opportunities for us to play in groups.

We will be developing our confidence so we can initiate play with our friends.

#### Self- Confidence and Self- Awareness

We will help to look after our Nursery by carrying out small jobs.

We will be talking about home and families.

#### Managing Feelings and Behaviour

We will be developing an awareness of our own feelings and the feelings of others,

We will be thinking about our own behavior by making the right choices and following the nursery rules and routines.

### Communication and Language

We will be talking about our own experiences and retelling events in the correct order.

We will be extending our sentences and linking thoughts and ideas together.

We will work in small groups to help develop our focus and concentration.

We will be using prepositions to describes where something is e.g. under, behind.

### Reading

We will be developing our awareness of rhythm and rhyme through stories, songs and music.

We will be listening to and joining in with stories with repetitive language.

We will be retelling stories using puppets and props.

There will be lots of opportunities for us to look at books and share them with our friends.

### Writing

There will be lots of opportunities for us to develop our mark making skills.

### Maths

#### Numbers

We will be exploring and using numbers in lots of ways e.g. using numbers to say how many objects there are and representing numbers using our fingers, marks on paper or pictures.

We will be looking out for numerals all around us.

#### Shape, Space and Measure

There will be lots of opportunities for us to explore shape e.g. using a selection of bricks to build models.

We will be looking for shapes in everyday objects.

We will be using positional language to describe where things are.

### Understanding the World

#### People and Communities

We will be remembering & talking about special events.

We will be looking at different occupations.

#### The World

We will be looking at the way things can change over time.

We will be developing an interest in the natural world e.g. observing changes in the weather.

#### Technology

We will be using simple remote controlled toys.

### Creative

We will be singing and dancing.

We will be singing some of our favourite songs and learning new ones.

We will be exploring what happens when colours mix together.

There will be lots of different materials to explore and we will be thinking about the different textures.

We will be using circles and other shapes to form the basis of a picture.

#### Being Imaginative

We will be listening to music and interpreting it through movement.

We will be using our own experiences when playing imaginatively.

Nursery – Autumn 1
