Boundary Learning Together

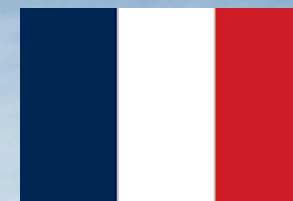

You can complete one task a week and bring them in weekly or you can complete them all at once and bring them in on the last THURSDAY of term.

You will also receive weekly spellings and times tables which will be handed out every Friday and collected in every THURSDAY. Please make sure this is the day it is sent into school, to allow it to be quarantined and then marked by your teacher on the following Monday. If it has not been completed, your child will spend Friday break time completing it, inline with our school home learning policy. Thank you.

We are writing poetry this half term.

A calligram is a word or piece of writing which is written to look like what the word means.

Could you write a calligram using Autumn or winter words?
