

Spring 1 Sparkle and Ice and all Things Nice

Winter

Books A Little Bit Of Winter, One Winters Day, Jack Frost, We're Going On A Bear Hunt, The Bears Winter House

Non-Fiction winter books

WOW

Exploring ice.

What does winter feel like?

Making a Den.

Physical

Moving and Handling

We will be developing our pencil grip.
There will be opportunities to use one handed tools and equipment e.g. scissors.
We will be exploring movement, using different ways to move between obstacles.

Health and Self-Care

We will be learning how to use equipment safely e.g. buttering bread to make sandwiches.
Learning how to put our coats on and do the zips up.

Personal, Social and Emotional

Making Relationships

Will we be working with our friends in groups.
Talking to our friends and listening to what others say,

Self-Confidence and Self-Awareness

We will be learning how to accept praise.
We will be developing our confidence when speaking to new people and in new social situations.

Managing Feelings and Behaviour

We will be learning to share and take turns,
We will be getting used to changes in

Communication and Language

When reading stories we will be joining in with repeated language and retelling the stories.

Answering "how" and "why" questions.
Using prepositions and different tenses.
We will be exploring different vocabulary and using it appropriately.

Reading

We will be joining in with story language and describing settings and characters.
We will be thinking about how a story might end.
We will be looking at familiar signs and labels in our environment.

Writing

We will be exploring different ways to make marks and put meaning to the marks we make.

Phonics

We will be playing lots of games to help us identify different sounds in the environment. We will be listening to patterns and copying beats and we also be beginning to blend and segment sounds in words.

Maths

Number

We will be exploring number by separating a group of objects in different ways and beginning to recognise that the total is still the same.
Representing numbers in different ways and practising counting a group of objects accurately.

Shape, Space and Measure

We will be building using different shapes and looking for similarities of shapes in the environment

Understanding the World

The World

We will be talking about important events in our lives and looking at different occupations.

The World

We will be exploring changes over time and talking about why things happen & how things work.

Technology

We will be using remote controlled toys.

Creative

We will be exploring music through movement and tapping out rhythms.
We will be exploring and describing textures.
We will be exploring different ways of constructing and using different construction materials.

Being Imaginative

We will be creating our own stories using different toys and using available resources to create props to support role play.
