

Year 2

Spring 1

In English we will be looking at animal adventure stories and applying our new knowledge to writing our own story. We will be using lots of descriptive language. We will also be writing a non-chronological report. We will be sorting our writing into subheadings. We will be reading the novel 'Fantastic Mr Fox' By Roald Dahl.

In Maths we will be focusing on multiplication and division. We will use lots of hands on resources, as well as written method. We will also be looking at data handling. We will be interpreting various graphs, as well as creating our own. We will continue to focus on our times tables, including 2, 5 and 10's.

In Geography we will be learning to name and locate the World's continents and oceans. We will also be using maps and atlas' to help us. In Computing, we will be learning how to make powerpoint presentation. We will be thinking about who the presentation is for and what it would need to include.

In Music our unit will be 'Zootime'. We will be looking at finding the beat in a piece of music. We will also be appraising music and discussing our thoughts. We will also be using the instruments to create and perform our own piece of music.

In Science we will be looking at animals including humans. We will be identifying the different habitats that animals live in. We will be identifying and naming a variety of plants and animals. Throughout the half term, we will be looking at making simple food chains to understand how animals obtain their food.

In PE we will be looking at dance. We will be counting beats and moving in time with music. During our PE lessons, we will also discuss the changes that happen to our body as we exercise and the importance of regular exercise.

In RE we will be learning about Hinduism. We will be thinking of the question 'How do people show their devotion?' As well as looking at the Hindu beliefs around this question, we will think about our own thoughts and beliefs of what devotion is.

In PSHE we will be learning about money and how it is used wisely. We will also be learning about the rights and responsibilities that we have. We will also learn how to take care of the environment that we live in. We will continue to learn about the emotions we have and how we manage them.
