Challenge - Can you turn the sound off on the video and read all of the words yourself?  
Don't forget to take a photo and upload it to seesaw so we can see your learning.

## Writing

Choose your favourite superhero and write about them. You could tell me what they look like, what they wear, what they do, what superpowers they have and what ever else you know about them. Aim for 6-8 sentences and try and use connectives (and, so, but, because) to make your writing more exciting.

Challenge - Could you include an exclamation mark in your work?
