

My Maths

For today's learning please login to My Maths <https://www.mymaths.co.uk/>. Today you will find 3 activities to complete in the homework area when you login called 'Money'. I will be able to see your answers and marks, please make sure you reply to every question and click submit at the end so it saves all your answers.

You can attempt these tasks more than once, so if you want to try and improve your score you can. Each task will be available for up to a week. You can also access the 'Practice tab' and 'Games tab' which has a range of different activities for you to complete if you want to complete more.

Week 7

Thursday 14th May

Weekly Afternoon Project

To keep your busy in the afternoon this week we are going to look at recapping our knowledge about the human body. Your task is to create your very own human body model using various materials you can find at home (cardboard, plastic bottle etc). The main features you will need to include are; the main body parts (arms, legs etc) and the key organs (brains, heart, stomach, lungs and liver).

You don't need to over complicate this project you could draw each of the organs and label them if you want to and make it into a poster, if you do it this way try and make it as neat and as clear as possible.

When putting together your human body make sure your all your body parts and organs are in the correct place. It can be as big or as small as you like. You have the entire week to complete this activity as part of your daily activity in the afternoon.

Log into Seesaw and click the activity 'Human Body Weekly Project' for useful links and WAGOLLS to get you started.

English - Writing

In your English home learning book write today's date **Thursday 14th May 2020** on the top line. Then on the next line write the **LO: Finding alternative synonyms.**

Log into Seesaw click on the task '**Thursday 14th May Reading into Writing**'.

Sometimes when we are writing we use the same boring words over and over again. Today you are going to find more interesting and powerful words for the list I give you. I would like you to find 3 improved words for each one.

You may have some ideas in your head that you can use but you could also use this website to help. <https://www.thesaurus.com/>

When you have finished, pick 3 words and write them into sentences. Be sure to include the appropriate punctuation and your presentation is to a high standard.

Record your answers in your home learning book, writing today's date and LO above.

Remember to take a PHOTOGRAPH and upload it to seesaw.

Guided Reading

Please log onto seesaw for your directed reading activity. Then record your answers in your home learning book. Make sure these are in full sentences.

'Don't forget to write today's date and the LO which will be provided on your seesaw task.'

Remember to take a PHOTOGRAPH and upload it to seesaw.
